

course, there may be individual instances where some of those NRDs may have difficulties. And I think if they do have, they will come back to this body, but the vast majority of them, I believe, will carry on their responsibilities as they have in the past, I believe, in a very responsible way and I do not think we're going to need to raise that levy. With that explanation, Mr. President, I would move the bill be advanced.
